Musical Freestyle Design Clinic

with
Karen Robinson
of **Applause Dressage**

Hosted by GLASS-ED
(a GMO of USDF)

At Pine Lake Stable, 12300 Pine Lake Rd, Plainwell,
MI 49080

Freestyles are fun to create, and
even more fun to ride.

Horses love them.

Learn how to wow the judges!

**Riders/horses of all levels are welcome
including those who do not desire to compete.
Clinic is open to Western or English dressage
riders as well as Pas de Deux.**

Observe as Karen goes through the process of helping riders (with the input from auditors) select music to fit the tempo of the horse's gaits, and design the choreography that meets the technical requirements for the level all while highlighting the horse's strengths. Karen combines her amazing talent for finding that "right" song from her extensive music library with her unique choreography to develop a winning freestyle.

Karen's clients include all levels of riders including Olympians, Paraquestrians, JR/Yg Riders, Adult Amaters & Professionals from the United States, Canada and around the world

Riders: \$295 plus stabling. Reserve your spot for \$100. Limited to 10 riders. Spots go very quickly.

Clinic Format: Riders will have 2 sessions with Karen, one on Sat and Sun. The 1st session is for music selection and the 2nd is choreography. Come both days to see the entire process. By the end of their 2nd ride, riders will have gone through the entire freestyle design process (choreography & music selection for all gaits) for their particular level so that they may finish it on their own or engage Karen to finalize it.

Auditors: Are definitely welcome and encouraged as they can learn to design their own freestyle by observing Karen and the process she uses to select music and design the choreography.

If payment is received prior to Feb 1:
current GLASS-ED members \$15/day,
non-members \$30/day.

After Feb 1 or at the door:
members \$20/day,
non-members \$35/day.
